

# SHOW US YA CUPS

A TREADWISE MEDIA DOCUMENTARY

Join the Treadwise Media Movement!

The biggest party of the year is here. Treadwise Media presents "Show Us Ya Cups" a documentary screening including behind the scenes and archival footage - **showcasing touch points on Mental Health & Social Change to better the Environment.**

Be there 6pm-9pm. Drink, dance and laugh with us. A few nibbles, a world class projection show through the night and Q&A with the crew post screening all included. Prepare to be entertained.

Our iconic raffle will be held. 3 x tickets just for showing up and 3 more for every \$5 you're willing to part with. All proceeds going directly in to the pockets of those kind kids who host and entertain us on the night.

The Show Us Ya Cups project was launched in July and has been an ever evolving force since. Come celebrate our journey. Meet the brave cafe owners and staff who hosted our live \$2 coffee experiment. Rumours have started that Uncle Bruce will be making a live appearance..... DO NOT MISS OUT
